

# CHASE OHM

## Web Designer

Over the course of my military career, I was blessed to learn and become molded by some of this country's greatest leaders. I have achieved skills in strategic thinking and leadership complimenting my motivation to pursue a career in web design. I am seeking a company that will value my service to our nation and commitment to excellence.

## EXPERIENCE

---

- 2017-02 - 2018-01**      **Camping World**  
Top producer selling RVs and Motorhomes.
- 2013-04 - 2017-01**      **US Army**  
Military Occupational Specialty - 88M Motor transport operator responsible for supervising and operating wheel vehicles to transport personnel and cargo. Backbone of the Army's support and sustainment structure, providing advanced mobility on and off the battlefield.

### Highlights

While serving over-seas I was responsible for convoy movement and logistics, ammunition dispersion and transportation. Also, had the responsibility to lead and mold a team of young soldiers over a 15 month period. While state-side I was in charge of communicating with outside customers in relation with dispersion of missiles and other small rounds.

## EDUCATION

---

- 2018-11 - present**      **Codeup**  
A fully-immersive, project-based, and intensive 18 week full stack Java career accelerator that provides students with 600+ hours of expert instruction in software development.
