Spring - MySQL - jQuery - Bootstrap  
Node.js - NPM - APIs - Git  
Github - IntelliJ - Sublime  
Illustrator - Photoshop - InDesign

Currently learning:

WordPress - Python - PHP

### ABOUT

As an artist, I strive to incorporate design into my programming by writing elegant, beautiful code. Combining empathy, creativity, and rationality to improve user experience motivates me as a developer because, when applied to vital social causes, I believe it can change the world.

### DEVELOPMENT PROJECTS

#### TECH{KNOWLEDGE}Y - CAPSTONE

September 2018

Interactive site that allows a user(developer) seeking mentorship and additional assistance understanding and applying code while strengthening coding skills in a given computer language, to search for and be paired with a mentor via private or group sessions. Chat and email communication options, as well as suggested safe environments are also provided.

#### AD LISTER APPLICATION - FULL STACK

August 2018

Collaborated with teammates to create small-scale Craigslist clone which allows users to post items for sale

#### CONTACTS MANAGER - JAVA APPLICATION

July 2018

Paired with classmate to create an application allowing the creation and management of a list of contacts.

#### MOVIES APPLICATION - JAVA APPLICATION

July 2018

Created an application that allows users to add, edit, and rate movies.

#### GRADIENTS IN CHROME - JAVASCRIPT

June 2018

Personal project; a web application that generates interactive color gradients

### PROFESSIONAL EXPERIENCE

#### COPY EDITOR

Educational Testing Services | 2012 - 2014

Edited test materials for state-based K-12 assessment programs; corrected grammatical and stylistic inconsistencies in technical documents for numerous programs; worked independently and cooperatively with multiple departments to meet program deadlines; performed over 15,000 cold reads, and quality control checks; maintained and updated tracking logs of materials throughout test production phases; daily use of Chicago Manual of Style, MLA style, APA style, and Gregg Reference Manual.

#### COPY EDITOR | COPY WRITER

Freelance | 2009- 2012

Edited grammatical, punctuation, spelling, and word usage errors; designed content layout; revised content; ensured quality control and production delivery on research, fiction/non-fiction, and press releases; grant writing.
